

“MEET YOUR MAKER” VENDOR SHOWCASE

SATURDAY, SEPT. 12
10 AM - 4 PM

Sample Green County, Wisconsin's most delicious products and meet the top producers. Discover some of the nation's finest foods. Meet growers, cheesemakers, brewers, farmers, yogurt makers, candy makers, & bakers, at an outdoor market “vendor showcase” at the New Glarus Brewing Company's new Hilltop Site - home of the popular farmhouse-style ale “Spotted Cow”.

Producers will serve samples, share recipes and suggest ideas for using their products in recipes, menus, and for entertaining. Visitors can sample brews in the Tasting Room, and enjoy live local music in the Courtyard. A series of presentations will include cheese and beer pairings, cooking demonstrations, and chef secrets for cooking with local foods.

The brewery will be open for tours, and a selected group of area artisans will be chosen to set up throughout the brewery to demonstrate and display their work.

Admission \$5 for adults; children 16 and under admitted free.
